**CITY OF ST. MARTINVILLE'S STIPULATION  
REGARDING ONE MAN, ONE VOTE PRINCIPLE**

The City of St. Martinville (the "City") hereby stipulates for the purposes of this litigation, and this litigation only, that the districts from which members to the city council are elected, as presently constituted, are malapportioned in population in that some districts have significantly more persons than other districts, and that if an election were held using the districts as currently constituted, the one-man, one-vote provisions of the Constitution would be violated.<sup>1</sup>

---

<sup>1</sup> See, e.g., Turner v. McKeithen, 490 F.2d 191, 192 (5th Cir. 1973) ("Prior to trial, the parties stipulated that the existing apportionment scheme was unconstitutional due to significant deviations from the 'one man — one vote' principle."); Burton v. Sheheen, 793 F.Supp. 1329, 1336 n. 2 (D.S.C. 1992) ("At trial, all parties stipulated the existing plans were unconstitutionally apportioned because of gross population disparities among the districts in the respective plans."), vacated on other grounds sub nom. Statewide Reapportionment Advisory Committee v. Theodore, 508 U.S. 968 (1993). Tucker v. Burford, 603 F.Supp. 276, 277 (N.D. Miss. 1985) ("In the present case, the defendants have conceded that the voting districts are malapportioned and must be redistricted.").
